

The purpose of this form is to get feedback from the class on how things are going. Based on your suggestions and comments, I hope I can improve the experience for everyone. Feel free to give feedback beyond the questions I ask, or in other ways, e.g., in person or by email, if you're more comfortable. If you would like a specific response to a concern, you may include your name, but if anonymity will promote honesty, that's fine. Everyone gets full credit for this quiz.

Your answer below might address such things as: lectures, quizzes, homework, instructor, texts, practice exam, exam rewrites, (so-called) sense of humor, color of socks, etc.
